

GUND Announces Two New Pusheen Toys for Christmas

Two new huggable plush toys featuring the internet sensation, Pusheen the cat dressed in her festive finery, will be available from GUND this summer.

Pusheen – a chubby grey tabby cat known for her love of cuddles, snacks, and whimsical dressing-up – originated as an animated web comic, and her adorable on-screen ‘bop’ has become a social media phenomenon. One of the original seven Facebook sticker sets, Pusheen now brings brightness and chuckles to millions of followers in her rapidly growing online fan base.

Pusheen Christmas is dressed in a soft bright red collar, trimmed with white fur and fastened by a red bow. Her red pointed hat, with a white fur trim at the base and a white bobble to the top, coordinates with her collar. Meanwhile, **Pusheen Ornaments**, portraying Facebook’s favourite feline peeping out of a red and white fur-trimmed stocking, are ideal for decorating both the tree and the home.
