

Eight New Candles; Four New Fragrances...from Himalayan Candles

For January 2017 Himalayan Candles is launching two brand new collections with a culinary theme — **Picnic Tins** and **Kitchen Tins** — in four delicious new carefree nostalgic scents of summer: Summer Fruits, Strawberry Fair, Forgotten Violet and Monsoon.

Add a little ambience to your dining experience with the **Strawberry Fair Picnic Tin** (pictured). Close your eyes — if you can tear them away from the beautiful hand-painted striped designs — and be transferred to a field of luscious strawberries, there's even a subtle buttery cream aroma. They have an impressive burn time of fifty hours and when the wax has all melted you are left with a beautiful, functional tin to be treasured forever.

Each of the four Kitchen Tins features either an owl, butterfly, kingfisher, or squirrel design and has a different handle on the lid. They make lovely storage for a kitchen dresser after they have been used.

The Himalayan Candles Collection will be on show at the Spring Fair 5th–9th Feb 2017 NEC, Birmingham, Hall 4, Stand H80–J81.
