## BRIGHT AND BOLD

Artist, designer and social media influencer, Jessi Raulet, has become well known for her hand-painted, bright and bold designs. With an ability to craft vibrantly optimistic colour palettes, Jessi's work is packed with good vibes.

## BEHIND THE DETAILS

### JESSI RAULET ETTA VEE CREATOR

Born and raised in Indiana, Jessi began her love affair with colour at the age of four and has been creating ever since. She moved to San Francisco where she worked as an art director in advertising for top Bay Area clients. In 2013, she moved to Paris for love where she started creating colourful fine art pieces and designs to brighten up her surroundings; and thus the vibrant world of EttaVee was born. Jessi is inspired by life in France, travel adventures, tropical settings and unexpected moments of colour.
