EAU LOVELY

A COLLECTION BUILT TO ENCOURAGE PEOPLE TO LIVE THEIR HAPPIEST, MOST POSITIVE LIFE POSSIBLE

Designed by Rachel McCann in Dublin, the Eau Lovely collection consists of a selection of heart-warming, beautifully fragrant candles and reed diffusers.

An ambassador for positivity, Rachel has a passion for all things fragrance, from essential oils through to beautiful perfume. Her passion for scents encouraged her to create Eau Lovely.

Hand poured in Ireland, the candles are made from natural soy wax, and the diffusers have luxurious essence oils, both in beautiful sustainable packaging with positive affirmations detailed on the front, that anyone can relate to.

Picking the perfect gift is never easy but the addition of the gemstones allows the consumer to strengthen their message of protection, relaxation, love, healing and strength, combining Tigers Eye, Amethyst, Rose Quartz, White Moonstone and Hematite with the fragrances created by Rachel, a Paris trained perfumist.
